Please Note: Soybean Oil IS present in these products. If you have a high intolerance to soy, we advise avoidance of these products.

Although we prepare many bakery items without soy-containing ingredients and take care to avoid cross contamination, we acknowledge the fact that we are not a certified soy free/allergen free bakery. Products are produced and ingredients may be manufactured in a facility that also processes soy-containing products. This list was created for the convenience of our guests who avoid soy in their diets. Soybean Oil may be present in these products. Bakery items listed are those that, to the best of our knowledge, are prepared with no soy-containing ingredients. Festival Foods acknowledges that the information on this list was accurate as of 3.24.16; ingredients and product formulations are subject to change after this date.
