Although we prepare many signature meat items without gluten-containing ingredients and take care to avoid cross contamination, we acknowledge the fact that we are not a certified gluten-free facility. Products are produced and ingredients may be manufactured in a facility that also processes gluten-containing products. This list was created for the convenience of our guests who avoid gluten in their diets. Meat items listed are those that, to the best of our knowledge, are prepared with no gluten-containing ingredients. Festival Foods acknowledges that the information on this list was accurate as of 06/11/19; ingredients and product formulations are subject to change after this date.
